21 & 22 March - **Y3/4
Production** 6pm

26 March - **Easter Service**

28 March - **Break up**
3:20pm

Starting Out Life as an Academy with LEAD

A new year, new term and a new beginning. This term we have begun our life as Waddington All Saints Academy and as promised it has made no change to the wonderful learning taking place in classrooms. We will soon be getting a couple of new signs at the front of school and staff and visitors will get new lanyards.

The badge on the sweatshirts is set to change ready for the start of the next academic year, more details about this will be communicated soon.

We are enjoying starting to work with the other schools in the Multi Academy Trust and we are already discussing the ways in which children may work together in future.

As a school we have been very excited by the 'Seesaw' App which has been trialled in some classes recently. This App allows children to upload learning to share with you at home. We are looking to extend this to all classes after half-term, except in Foundation Stage where Tapestry will remain.

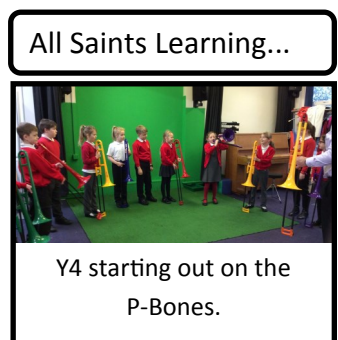

We are looking forward to seeing you in school next week at our Parent Teacher Progress Meetings.

Y5 drilling down on the layers of the Earth.

Y2 making pots from clay.

All Saints Learning...

Y4 starting out on the P-Bones.

FS have been cooking up something to feed the birds.

The Foundation Stage children are loving their 'Mini Me' experience. These little characters are turning up in all sorts of learning.
