

Sports Funding Statement 2017-2018

Following the London 2012 Olympic and Paralympic Games the Government provided funding for schools to secure a significant and lasting legacy for children. The aim of the funding is to develop an enjoyment of sport and physical activity, and to promote a healthy lifestyle in children from an early age. We have strived to ensure the success of this funding and believe that it has impacted positively on all children at All Saints over the last five years.

Funding for 2017-2018

During the academic year of 2017-2018 we expect to receive £16000 in a lump sum and an additional £10 per pupil. This means the school has received approximately £19,170 to spend on sport over the course of the academic year. The funding is ring-fenced and must be spent on sport and PE.

How the funding will be spent in 2017-2018

This year we expect to receive an allocation of £19,170.

	Cost	Total Expenditure
<p>MSP: 3 hours of delivery x 38 weeks</p> <p>Teachers to observe all lessons, resulting in an increase in confidence and skills base for teaching a range of sports tailored to their specific skills and development needs.</p> <ul style="list-style-type: none"> • Pupils learn a range of skills and are able to develop control of their own bodies and equipment being used. • Pupils develop their strength through a range of sporting activities. • Pupils can explain what they had done and why they have done it. • Pupils are able to verbalise ways of adapting their approach to be more successful. • Pupils further develop their positive relationships with one another – supported and encouraged each other to achieve their best. <ul style="list-style-type: none"> • Pupils learn specific skills and how to apply tactics within a range of games and sports. • Pupils learn how to apply tactics and their athletic skills in a competitive situation. • Pupils are able to explain how being active contributes to a healthy lifestyle. • Pupils are able to engage with a positive male role model within a sporting environment. 	£3420	£3420
