- Listen carefully, not interrupting when other people are talking
- Be honest and never cover up the truth.
- Look after property, not wasting or damaging things.

Our Expectations

- That everyone will move around the school in a safe and sensible manner, staying to the left in corridors;
- That when moving as a class all pupils will move around the school, including arriving at and leaving assembly, in silence;
- That, when engaged in learning around shared spaces, pupils will show respect for other learners by maintaining an appropriate noise level.
- That all pupils will dress in accordance with the schools uniform policy, this includes PE kit;
- That we all take responsibility for picking up belongs that are left on the floor around school, even if they are not ours;
- That we all take responsibility for picking up any litter in the school building or outside and placing it in a bin, even if we didn't drop it;
- That pupils make healthy choices about the snack foods that they bring in to eat at break time;
- That we all make decisions that are based around keeping ourselves and others safe.
- That we treat one another with respect, taking responsibility for the impact of our behaviours, actions and decisions on others.
