

‘Catch up’ Planning Statement

The government has announced £650 million will be shared across state primary and secondary schools over the 2020/21 academic year. This is expected to equate to approximately £80 per pupil.

Whilst head teachers will decide how the money is spent, the government expects this to be spent on small group tuition for whoever needs it.

This one-off grant to support pupils in state education recognises that all young people have lost time in education as a result of the pandemic, regardless of their income or background.

Separately, a National Tutoring Programme, worth £350 million, will increase access to high-quality tuition for the most disadvantaged young people over the 2020/21 academic year. This will help accelerate their academic progress and prevent the gap between them and their more affluent peers widening.

Please complete this planning tool to identify groups of pupils who may require additional tuition. The funding is not available for interventions that remove pupils during the lessons and should only be targeted at morning, lunch or afterschool learning that is additional to the core teaching offer. The Education Endowment Foundation also has a [published guide](#) to help school leaders and staff decide how to use this funding to best support their pupils and their outcomes. The [Toolkit](#) provides an evaluation of the various tested programmes.

[The National Tutoring Programme](#) is designed to reach up to two million of England’s most disadvantaged children.

Strategy for 2020-21

1. Summary information 'Catch up' Grant					
Academy	Waddington All Saints Academy				
Academic Year	2020-21	Total Catch up budget	£29,840	Number of pupils	373

Break down of spending:

Additional Support: £25,422

IT Equipment: £2400

Resources: £2095

Initial evaluations and assessments of gaps/barriers for groups of pupils

2. Barriers to future good attainment
EYFS cohort has demonstrated a higher level of need in speech and language and social and emotional development.
Phonics catch up for Year 1 Pupils who are struggling to recall/blend phase 3 and 4 sounds and for pupils in Year 2 who have not passed the phonics screening on return to school.
Year 5- Sept NfER assessments identified gaps within English and Maths which are significantly lower than previous cohorts.
Year 6- progress indicator evidences that 10% of children are not on track to make good progress across KS2.
Y2-Y6 NfER reading assessments identified gaps in reading comprehension skills.

3. Planning for Catch up interventions						
What do we want to achieve?		How?	What is the rationale for this chosen strategy?	How will it be monitored	Cost?	Progress/Impact
<i>Year Group</i>	<i>Identified evaluation or assessment as a baseline</i>	<i>How will the intervention or provision be delivered?</i>	<i>Refer to research from EEF or other research to justify the choice of strategy.</i>		<i>Provide simple breakdown of proportionate or full costs.</i>	<i>Briefly evaluate impact of intervention against the identified outcomes.</i>
Foundation Stage	<p>Baseline has indicated that ¼ of the cohort need further additional support in:</p> <ul style="list-style-type: none"> • Behaviour • Emotional Wellbeing • Understanding the need for sharing. • Independence • Making relationships <p>Baseline has identified that 9 children need SALT support, this is a significantly higher proportion than previous cohorts.</p>	<p>Four groups of small group interventions delivered by an LSA afterschool: 2x ½ sessions per week to support emotional needs and building relationships.</p> <p>Three small group Interventions delivered by an LSA at lunchtime: Speech, language and communication interventions 2X ½ per week. Total 1 hour for 3 groups,</p>	<p>EEF promote the development of high quality interactions, through problem solving and questioning. Early reading skills support the development of communication and language (EEF) Learning through play is a high priority in an EYFS setting. Focus on specific books, linked to self-confidence, behaviour and particularly emotions.</p> <p>Makaton and ELKLAN are high quality interventions that develop a range of communication skills.</p>	<p>By Class teachers and FS Lead.</p> <p>Pre and post intervention measures in place.</p> <p>SALT assessment</p> <p>Progress in phonics</p>	<p>8 x ½ hours sessions with an LSA, for 20 weeks. (4 hours at £15ph) £1200 Resources to support sessions: Specific books £50 Early years Problem solving resources £150 Additional role play activities to support relationship development. £150</p> <p>6 x ½ hour sessions per week with an LSA, for 24 weeks. (3 hours at £15ph) £1080 Further speech and language resources, so that it is above and beyond what we already use in school. £200 Total: £2830 Additional Support: £2280 Resources: £550</p>	

Waddington All Saints Academy

<p>Year 1</p>	<p>Phonics/reading Phase 3 blending scores of 0/10</p> <p>Phonics screening scores of 0/40</p> <p>WT group 6/48 children</p> <p>EX group 8/48</p> <p>EX group 2 4/48</p> <p>Sound recognition</p> <p>Need to work on recognising phase 2 and phase 3 sounds.</p> <p>6/48 WT children</p> <p>9/48 EX children</p>	<p>Phonics 15 mins 4 x week for 22 weeks in small groups (4 children) with an LSA Total: 1 hour x 22, for 4 groups.</p> <p>Precision Teaching LSA support 5 minutes per child 1:1 5 x a week 15 children (6hrs 15 mins per week) 12 weeks</p>	<p>Structured phonics intervention EEF research support a robust and systematic approach to phonics and the impact of this is high. Invest in a phonics programme which works alongside Letter and sounds to provide Intervention resources, to enhance and embed what has been taught in class and to fill any missing gaps. This resource can also be used at home by parents.</p> <p>Clicker 8 Software recommending by EP to enable curriculum content accessible for all with talking Clicker Books, support emergent readers and EAL pupils with Matching Sets, and use Talk Sets to develop speaking and listening skills.</p> <p>Precision Teach Practise based evidence. Used successfully within school to boost recognition of sounds and has had a positive impact.</p>	<p>Team leaders Provision maps Pre and post measure</p>	<p>Monster phonics £225 Cost of 4 iPads for the ICT based version of the strategy. Approx. 4 x 300 =£1200</p> <p>22 x 4 =88 88 x £15 = £1,320</p> <p>Clicker 8 approx. £250</p> <p>Precision Teaching 6.25 x 12= £75 £75 x £15 = £1,125</p> <p>Total: £4120 Additional support: £2445 Resources: £1675</p>	
<p>Year 2</p>	<p>Year 2 Phonics – 11% of children who did not score 30 or above when assessed in Sept</p> <p>Reading 25% of children who scored less than 90 standardised score who should be EXS.</p>	<p>Phonics 15 mins 4 x week for 22 weeks in small groups (4 children) with an LSA Total: 1 hour x 22, for 2 groups.</p> <p>Reading EXS</p>	<p>Structured phonics intervention EEF Improving literacy in KS1 recommend a systematic approach to phonics. Revisit recognition and blending skills and ensure sessions are highly engaging.</p> <p>Clicker 8 Software recommending by EP to enable curriculum content accessible for all with talking Clicker Books, support emergent readers and EAL pupils with Matching Sets,</p>	<p>Class teacher English Lead</p>	<p>Monster phonics £225 Cost of 2 iPads for the ICT based version of the strategy. 2 x £300 =£600</p> <p>22 x 2=44 44 x £15 = £660</p> <p>Clicker 8 approx. £250</p> <p>At approx. £35 per hour</p>	

Waddington All Saints Academy

	<p>40% of children who scored less than 110 standardised score who should be GDS.</p> <p>Maths 23% of children who scored less than 90 standardised score who should be EXS. 75% of children who scored less than 110 standardised score who should be GDS.</p>	<p>14 x ½ sessions before school, by a LSA for small groups of 4. Total: 7 hours for 4 groups. GD 14 x ½ sessions before/after school, by an LSA for small groups of 4 Total: 7 hours for 2 groups.</p> <p>Reasoning EXS 22 x ½ small group sessions, before/after school, by a teacher for small groups of 4. Total: 11 hours for 4 groups</p> <p>GD 22 x ½ small group sessions, before/after school, by a teacher for small groups of ¼. Total: 11 hours for 2 groups.</p> <p>Calculation 12 x ½ small group sessions, Before/ after school, by a teacher. Total: 6 hours for 3 groups</p>	<p>and use Talk Sets to develop speaking and listening skills.</p> <p>Guided skills based reading intervention EEF ‘Improving literacy in KS1’ recommends developing and monitoring reading comprehension. Comprehension can be improved by teaching pupils’ specific strategies to support them with inferencing and self-monitoring their understanding.</p> <p>Mathematical Reasoning Intervention</p> <p>EEF research states that pupils who received Mathematical Reasoning made the equivalent of one additional month’s progress. This result has high security.</p> <p>Teachers reported positive experiences with the training and materials, and were positive about the programme’s focus on fundamental mathematical principles.</p> <p>Calculation Over teaching of calculation strategies has been a proven strategy in school to secure these key skill.</p>		<p>28 x £15= £420</p> <p>At approx. £15 per hour 14 x £15 = £210</p> <p>Reasoning At approx. £35 per hour x 2 £70 40 x £15 = £600</p> <p>Reasoning resources: £100</p> <p>At approx. £15 per hour 22 x £15 = £330</p> <p>Calculation £35 per hour x 2 £70 At approx. £15 per hour 18 x £15 = £270</p> <p>Total: £3805 Additional support: £2630 Resources: £1175</p>
