We will not be offering visits prior to shortlisting because we want to ensure that the experience is fully equitable for all. Pandemic restrictions would limit the number of possible visits and we do not want to risk being unable to provide an appointment to someone. To make up for this, there are videos on our website that will give you a taster of the school and we will ensure that anyone shortlisted has the opportunity to have a full tour around the school before having to make any decisions. We thank you for your understanding about this.

Best wishes with your application.

Yours sincerely
