A L.E.A.D. Academy

Service Pupil Premium 2021/2022

The Service Pupil Premium supports the school to help mitigate against the challenges of service life. Based upon parental feedback and work with RAF Waddington and the Governing body, staff have developed a rich offer that has been successful in supporting us to meet the needs of the community that we serve. We recognise that every pupil is different and faces a unique experience, therefore support is carefully devised to ensure that each individual has the opportunity to thrive both emotionally and academically.

If you have any questions or queries about the support your child receives, please do not hesitate to contact your child's class teacher.
