We wish to appoint a motivated and committed Teaching Assistant to work within our High Needs Support Team, mainly within Year 5, to start as soon as possible.

The role will mainly be to support a child with autistic traits. It will also involve supervising groups of pupils, particularly at lunchtimes.

We are a highly motivated and successful team, eager to find someone who wants to achieve the highest standards in terms of learning opportunities and progress for all children.

The successful applicant will be flexible, show initiative and be able to adapt to the needs of individuals and groups of children. They will also be confident, have excellent communication skills and able to be fair and consistent in line with the school behaviour policy. They will have an awareness of the KS1 curriculum.

Knowledge about the needs associated with Autism would be an advantage. You will work as part of a team to meet the EHCP targets, supporting communication and interaction needs, enabling them to be fully engaged within learning. This role is based upon the child's needs whilst at our school and therefore will be a fixed term contract until the child leaves the school.

We can offer the chance to work in a very well-resourced school with highly motivated children that are eager to learn. We will work with the newly appointed Teaching Assistant to support them in helping us to sustain and improve the formally recognised outstanding quality of education that we provide.
