Teacher (M3 – UPS1)

Full-time, permanent post. **This post is not suitable for an ECT.**

We are offering the opportunity for a highly effective and talented teacher with the appropriate skills, knowledge and ambition to join our team, from September 2023.

We are looking to appoint a teacher, with a minimum of two years' experience and proven capability in securing high standards of teaching and learning, to work initially within an upper Key Stage Two class. We are seeking a reflective learner, keen to learn and develop with awareness of current educational thinking and the capability to lead an area of the curriculum. At this time, an interest in music would also be an advantage.

We are a highly motivated and successful team, eager to find someone who wants to work with us to achieve the highest standards in terms of irresistible learning opportunities and excellent progress for all children.

We offer the chance to work in a very well-resourced school with highly motivated children that are eager to learn. We will work with the newly appointed teacher to support them in helping us to sustain and improve the outstanding quality of education that we provide.
