Dear Applicant,

Thank you for your interest in the Teaching Assistant posts at this school. These posts are to start as soon as possible, working as part of our high needs support team, with a child in reception.

We would be able to offer you the opportunity to work in a school that is proud of its achievements, that works hard to secure the best for its pupils, whilst receiving a rich learning opportunity and induction. We hope that in return you would want to have a positive impact and make your time with us special.

This fixed term role is in response to funding to provide additional 1:1 support for a child with a diagnosis of autism. The successful candidate will work as part of our High Needs Support Team to meet the EHCP targets, enabling them to be engaged within learning and to develop independence.

The successful applicant will be flexible, capable, show initiative and ability to adapt to the needs of individuals and groups of children. They will also be confident, quick to learn, have the ability to motivate children, excellent communication skills and the capacity to be fair and consistent in line with the school behaviour policy.

Applicants are required to have GCSE pass level or equivalent qualifications in Maths & English or significant demonstrable experience in a similar role.

If you wish to be considered for this post, please provide us with:

Best wishes with your application.

Yours sincerely
